

CSA Shared Resources Licence

This License applies to any document or other work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this *CSA Shared Resources Licence*. The aim of the licence is to provide a mechanism for the legal distribution and amendment of documents within the community of CSA member schools. It provides rights in addition to and supplementary to those provided by NEALS.

Terms and conditions for copy, distribution and modification

Definitions:

"Document" - refers to any document or work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this *CSA Shared Resources Licence*

"work based on the Document" - means either the Document or any derivative work under copyright law: that is to say, a work containing the Document or a portion of it, either verbatim or with modifications and/or adaptations.

"you" – means each licensee

"Members" – refers to schools that are members of Christian Schools Australia Ltd

"NEALS" – refers to schools the National Educational Access Licence for Schools

Activities other than copying, distribution and modification are not covered by this License; they are outside its scope.

1. In addition to any rights you may have under NEALS You may copy and distribute verbatim copies of the Document to other Members or within your school community as you receive it, in any medium, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and disclaimer of warranty; keep intact all the notices that refer to this License and to the absence of any warranty; and give any other recipients of the Document a copy of this License along with the Document.
2. You may modify your copy or copies of the Document or any portion of it, thus forming a work based on the Document, and copy and distribute such modifications or work under the terms of Section 1 above, provided that you also meet all of these conditions:
 - a. You must cause the modified work to carry prominent notices stating that you changed the Document and the date of any change.
 - b. You must cause any work that you distribute or publish, that in whole or in part contains or is derived from the Document or any part thereof, to be licensed as a whole at no charge to all Members under the terms of this License.
 - c. You must provide Christian Schools Australia Limited with a copy of the work.

These requirements apply to the modified work as a whole. If identifiable sections of that work are not derived from the Document, and can be reasonably considered independent and separate works in themselves, then this License, and its terms, do not apply to those sections when you distribute them as separate works. But when you distribute the same

sections as part of a whole which is a work based on the Document, the distribution of the whole must be on the terms of this License, whose permissions for other licensees extend to the entire whole, and thus to each and every part regardless of who wrote it.

Thus, it is not the intent of this section to claim rights or contest your rights to work written entirely by you; rather, the intent is to exercise the right to control the distribution of derivative or collective works based on the Document.

In addition, mere aggregation of another work not based on the Document with the Document (or with a work based on the Document) on a volume of a storage or distribution medium does not bring the other work under the scope of this License.

3. You may not copy, modify, sublicense, or distribute the Document except as expressly provided under this License or in accordance with NEALS if applicable to that Document. Any attempt otherwise to copy, modify, sublicense or distribute the Document is void, and will automatically terminate your rights under this License. However, parties who have received copies, or rights, from you under this License will not have their licenses terminated so long as such parties remain in full compliance.
4. You are not required to accept this License, since you have not signed it. However, nothing else grants you permission to modify or distribute the Document or its derivative works beyond the permissions granted under NEALS. These actions are prohibited by law if you do not accept this License. Therefore, by modifying or distributing the Document (or any work based on the Document), you indicate your acceptance of this License to do so, and all its terms and conditions for copying, distributing or modifying the Document or works based on it.
5. Each time you redistribute the Document (or any work based on the Document), the recipient automatically receives a license from the original licensor to copy, distribute or modify the Document subject to these terms and conditions. You may not impose any further restrictions on the recipients' exercise of the rights granted herein. You are not responsible for enforcing compliance by third parties to this License.
6. If, as a consequence of a court judgment or allegation of patent infringement or for any other reason (not limited to patent issues), conditions are imposed on you (whether by court order, agreement or otherwise) that contradict the conditions of this License, they do not excuse you from the conditions of this License. If you cannot distribute so as to satisfy simultaneously your obligations under this License and any other pertinent obligations, then as a consequence you may not distribute the Document at all. For example, if a patent license would not permit royalty-free redistribution of the Document by all those who receive copies directly or indirectly through you, then the only way you could satisfy both it and this License would be to refrain entirely from distribution of the Document.

If any portion of this section is held invalid or unenforceable under any particular circumstance, the balance of the section is intended to apply and the section as a whole is intended to apply in other circumstances.

It is not the purpose of this section to induce you to infringe any patents or other property right claims or to contest validity of any such claims; this section has the sole purpose of protecting the integrity of the free document distribution system amongst Members, which is implemented by the *CSA Shared Resources License* practices. Many people have made generous contributions to the wide range of documents distributed through this system in reliance on consistent application of this system; it is up to the author/donor to decide if he or she is willing to distribute documents through any other scheme and a licensee cannot impose that choice.

This section is intended to make thoroughly clear what is believed to be a consequence of the rest of this License.
